

Rebirth

The main objective of Rebirth is to use the two playable characters (Reaper and Ghost) to find 3 keys spread across a level with rooms, while fighting different enemies along the way. Once the 3 keys are collected, a door will open and the player may progress to the next level.

Main Menu:

- Select option – WS keys
- Select option – Enter

Controls:

- Movement – WASD keys
- Attack – Left mouse button
- Abilities (dash and intangibility) – Shift key
- Change character – R key
- Pause – esc

Cheats:

- Instant full health – 1
- Reset ability cooldown – 2
- Show hitboxes/fps – 3
- Open profiler – 4
